From Their Majesties

Unto Our Populace of this Great Kingdom of the Outlands, We Maelgwn and Lillian, send greetings.

We would like to thank the Shire of Nahrun Kabirun for hosting our Coronation. It was a wonderful event full of honor and Outlands tradition. It is a memory that We will forever cherish. Duke Hrothgar and Duchess Madigan offered Us much sage advice and support as their Heirs. We commend them for their graciousness. This generous sharing of wisdom truly benefits the Outlands. Those who attended may have noticed the lighthearted activites developed by Our Royal Embellisher, THLord Roland O'Rourke. He helps organize special activities during court. We appreciate all who help him in his task to dispel the dreariness of winter from Our halls. We are especially proud of those gentles spearheading their Barony, Shire, or Canton's effort to support this activity. As a result, courts are more splendid with the addition of self-supporting indoor banners and accoutrements for the herald and trumpeters. We and our future Heirs will greatly enjoy the numerous and well-crafted items that have been donated.

To all who participated in Boo at the Zoo in Caerthe, your tireless efforts were well spent. A great many children and their parents were smiled that day because of your work. Lady Rivka Kseniya Mikhailvna Morskaya organized the demo with park officials and set up the site plan. THLady Maredudd Angharad Ferch Gwenhyfar provided hot beverages and stews that sustained us all through the cold day. The fighters were at their best, and Sir Jalut interpreted the blows for onlookers. Working with children is certainly part of the holiday spirit. All look forward to the Toys for Tots events throughout the Kingdom. Your generosity to the children in your local communities makes Us very proud to be Outlanders.

The fine Barony of Unser Hafen hosted a wonderful Eistedfodd. The Autocrat of the event, Mistress Theresa die Tanzerin, insured the day was well-organized and fun for all. The Head Chef, Lady Amice de Fayel, and her staff amazed all with their delicious recipes. Many merchants set up in the hall and their goods were varied and plentiful. We were all charmed by Achmed's endeavors which turned out to be a fundraising sale for the benefit of the barony. Congratulations to Baroness Llamrei for winning the Bardic Competition with her poem written about her love, her enchanting songs, and the story of how she lost her hair in Battle.

Enjoy the feasts, and celebrations of the winter season and prepare well for the coming War in Atenveldt! To come home victorious We must make ready now. Toward this goal, We call Outlanders to prepare for the battles to come. By attending War practices, completing entries for the A&S competition, and planning travel and encampments you aid Us in this effort.

From The Seneschal

Greetings unto the good gentles of the Outlands from your Kingdom Seneschal.

Congratulations to Their Majesties Maelgwn and Lillian, who ascended the Throne of the Outlands at Coronation in Nahrun Kabirun. Many thanks also to that good shire which hosted the event. Huzzah!

You will notice the changes in Kingdom Law which Their Majesties announced at Crown Tournament are printed in this issue. The change regarding Crown Tournament in 1999 will allow Their Majesties and the populace to attend Gulf Wars. No events will published on the first weekend of March, but the second weekend is now open for 1999. The change regarding awards simply brings our Kingdom Law into line with Corpora and GP & D, limiting only armigerous awards to those with SCA memberships.

The change regarding colleges also brings our Kingdom law into line with current corporate policy, which allows colleges to exists within the jurisdiction of any other group. If you have questions regarding any of these changes, please feel free to contact me.

Please warm yourselves against the harshness of winter and make your journeys safe.

In service,
Coemrí

From the Earl Marshal

Greetings Outlanders!

This is a great time for us as we prepare for war. There are several war practices planned for the next few months. Check your OH or contact your local knight marshal for more details. We will be using a greater variety of arrows for combat archery at Estrella this year. All of these arrows are SCA legal and will also be made legal for the Outlands, thus archers need not worry about making arrows that they won't be able to use at home. There are two gentlemen who have volunteered to be in charge of combat archery for me, Sir Akira and Lord Ian Lindsey MacRae. Sir Akira can be reached at (970) 498-0798 or hildman@mailexcite.com. Lord Ian can be reached at (505) 644-2179 or ILMacRae@aol.com Information on making the new solid fiberglass shafted arrows can be obtained from these gentles or from the Outlands website for archery http://www.unm.edu/~kballar/archery/archgen.htm.

Good luck in all your endeavors, fight well, and have fun

Sir Haroun ibn al-Dhi'b al-Abyadh
Outlands Earl Marshal

From the Embellisher of Ceremony

Good gentles of the populace,

I am the Royal Embellisher of Ceremonies for Their Majesties Maelgwyn and Lillian. I write this missive to introduce myself and my assistants, explain our purpose, and possibly solicit volunteers to assist us in our noble task.

As the Royal Embellisher, I am charged with discovering new ways of enhancing courts and other royal activities. Any one of these proposed "enhancements" must first be approved at various levels with the final confirmation coming from Their Majesties. To aid me, I have been allowed to take on three assistants. The responsibilities of these assistants is to personally organize and co-ordinate reccuring activites. These hardy souls, their titles and main duties are listed as follows:

Court Composer: Lord Eoin Macrae (Eric Tillotson)- Organizer and co-ordinator of "Trumpeter" corps. (303) 464-0289, emtillot@ix.netcom.com
Man of Minstrels: Lord Rober de Marchet (Rob Hendershot)- Organizer and co-ordinator of special entertainment segments. (303) 254-4743
Maid of Pages: THL Caterina Fregoso (Karen French)- Organizer and co-ordinator of "Banner Bearers" for Their Majesties. (303) 438-0632

Approved embellishments are intended to occur at every event Their Majesties attend. My assistants and I are seeking help to help ensure these ambitious activities transpire on a regular basis. If you would like to participate, please contact us.

In Service to the Outlands,

ThLd Roland O'Rourke

From the White Stag Principal Herald

Greetings unto the populace of the Kingdom of the Outlands from Lord Pendar the Bard, White Stag Principal Herald. Please excuse my lack of a report in last month's OH. My e-mail was down from September 9 to October 26. My new e-mail address is pendar@highfiber.com

I am pleased and grateful with how fundraising is going with the White Stag office. I have received a $20 donation from the Shire of Scorpion's Hollow and a $50 donation from the Barony of Dragonsspine. I also received a beautiful hand sewn pouch with a black swan on the flap for the White Stag auction this winter. Unfortunately, I lost the letter that came with it identifying the contributor. (I think my cat ate it). I am greatly embarrassed by this. If you could please contact me I would appreciate it.

A&S Collegium was a great success! I don't ever think I have seen so much food at a feast in my entire life, either. I would like to send a big "Thank you!" to the shire of Windkeep for all of their hard work. Lady Noemi was a very competent autocrat and I appreciate all of her help in setting up the event. Both of my deputies, Lady Scia and Lady Jorunn (the new one in the North) assisted me at the event and I appreciate their help.

TRM (at the time, anyway) Hrothgar and Madigan, informed me that there is little support and much opposition from the members of the Order of the Laurel for an Outlands University. Without their support, I do not feel as if I can proceed with an organized University. We shall continue to hold collegiums but there will not be an organized degree program at this time.

From the Chronicler

Here it is, the end of another calendar year, and it seems like just yesterday the year was only beginning. My year certainly has changed from January until now. Since I took over the office of Kingdom Chronicler in October, I have had nothing but fun. The populace has been more than helpful in giving me feedback on both the good points, and the bad points, of my newfound duties. I have taken all of them in and am trying to make adjustments accordingly.

To that end, I have begun making some changes to the Outlandish Herald that I hope will only prove to further enhance the readability and usability of the OH. As always, I will appreciate any and all feedback on these changes. What are the changes, you ask? Well, I'm going to let you thumb through your copy of the OH and find out. If they're useful enough, I'm sure they'll stand right out.

Also, I am in dire need of cover art! So far, I have one very generous individual who has given the Outlandish Herald any number of exquisite pieces of artwork, but I do not wish to overtax this individual beyond their capacity and love of art. All artwork is encouraged. I can accommodate both paper copies sent through regular mail, as well as electronic copies sent to me through E-mail. If you E-mail, please send them in .GIF or .TIF format. In any case, I will need a signed release allowing me to use the artwork. So, artisans, please send me your artwork. Not only does it get admired by hundreds of people, but it helps out a poor artistically challenged journalist.

In service,
Duncan

- the Finance Committee which assists in development of the annual budget for the corporation and makes recommendations on spending;
- the Budget Compliance Committee which compares the budget to actual spending and alerts the Board to unexpected discrepancies; and
- the Vice President for Corporate Operations who runs the corporate office, approves budgeted expenditures and supervises the professional bookkeeper and accountant retained by the SCA, Inc.

Each committee and the Society Exchequer has a Board member as its ombudsman. The ombudsman currently prepares reports for the committees using information provided by the Vice President for Corporate Operations. There have been occurrences in the past of confusion of responsibilities, not only by the populace, but by the officers and committee members involved. The Finance and Budget Compliance Committees are not defined in the Governing Documents, but are committees of the Board. It is to the corporation's benefit to develop a structure for these officers and committees to allow for more efficient information dissemination and reporting.

Therefore, we propose that there be a hierarchy structured as follows: The Treasurer reports to the Board. The Society Exchequer and the Financial Committee report to the Treasurer. The Vice President for Corporate Operations reports to the President. The Budget Compliance Committee reports directly to the Board, through their ombudsman.

The Vice President for Corporate Operations provides regular and timely financial reports to the Treasurer, the Finance Committee and the Budget Compliance Committee. The Treasurer provides additional reports to the Budget Compliance Committee as needed. The Finance Committee and the Budget Compliance Committee are not delineated in the governing documents. These committees serve at the pleasure of the Board.

The first step to implementing this structure is to more clearly define the Society Chancellor of the Exchequer. Please submit commentary to: SCA Inc., Box 360789, Milpitas CA 95036

OLD VERSION:
Corpora IV.G. SOCIETY CHANCELLOR OF THE EXCHEQUER

NEW VERSION:

The Society Chancellor of the Exchequer shall cause to be kept, and maintained, adequate and correct records of the properties and business transactions of the branches and special purpose funds of the Society. These records include accounting of assets, liabilities, receipts, disbursements, gains, losses, capital, retained earnings, and other matters customarily included in financial statements.

This officer is responsible for administering the activities of all branch and special purpose funds in the name of the Society, including those for regional corporate publications. This officer accomplishes this directly, through the Kingdom Chancellors of the Exchequer, Kingdom Chroniclers (for regional corporate publications) or through other special deputies. From the Grand Council

The Grand Council, (GC) an advisory committee to the Board, has been asked to suggest possible changes to banishment procedures (Currently, Corpora VI.A.1.h.).
The GC developed an outline of possible changes, which follows. Before developing a formal proposal based on the outline, we would greatly appreciate commentary from the Society, so that the proposal can reflect your desires. If you like some parts but not others, we would like to hear that, too: this is not yet an all or nothing final proposal. Please try to have commentary to us by the end of January, 1999. Any comments sent to us will be posted to the GC list, and then sent to the Board.

Send e-mail to SCAGC-L@LISTSERV.AOL.COM. Or send postal mail for the GC to: Cyndi Everett-Baskett, PO Box 3460, University, MS 38677 (USA). Or Janna G Spanne, Nyckelkroken 50, 226 47 Lund, Sweden Fax: +46 46 2224531 attn.: Janna G Spanne

Anyone that wishes may subscribe to the GC e-mail list. Details on how to subscribe, and both current banishment rules and proposed changes, are at http://www.math.harvard.edu/~schuldy/gc/

Banishment: Outline of Proposed Changes

1) Banishment from the presence (level 1) would be retained without major changes.

2) Banishment from the realm (level 2) would be deleted as unclear, overused, and straddling the boundary between medieval recreation and modern administration.

3) Absolute Banishment (level 3) would be removed as a "medieval" sanction that may be imposed by royalty without any prior requirements for due process.

4) Offenses against contemporary civil or criminal law that threaten the Society should be dealt with through the contemporary legal system. Policy should further emphasize that where a remedy exists under contemporary law, that should be the preferred solution rather than our

own internal procedures. This would not preclude the Society taking further steps needed to protect itself while legal action was being pursued, or from accepting suitable settlement.

5) More serious Society sanctions could only be imposed according to due process. This would include judgment by an impartial panel, the opportunity to be informed of the evidence and charges, and to present evidence and testimony in one's own defense. Sanctions should be proportionate and appropriate to the offense.

6) Realm Grievance Panels

a)Panels meeting at the realm level could impose sanctions up to and including a temporary ban on participation. They might also impose censure, warning, probation, or a ban on holding office, handling Society funds, or taking part in specific activities.

b)If a serious breach justifies a sanction extending throughout the SCA, Inc., or justifies a permanent ban on participation, the recommendation would be forwarded to the corporate office for final decision.

c)Decisions of the grievance panels could be appealed to the corporate level. Review would not be automatic, but would need to be based on a failure to follow Society rules or the relevant requirements of due process. The panel would collect sufficient records of the proceeding to allow later review.

7) The sanctions in item 6) would be matters of group administration rather than medieval recreation

8) Where other Society corporations are responsible for their own operations, their own discipline procedures should be an internal matter. However, they would be required to offer reasonable due process. If one corporation has a problem participant who is likely to travel to other jurisdictions, that SCA corporation would inform the others.

9) The changes above may reduce the time the Board spends reviewing grievance issues. If the time they must devote to these remains burdensome, they may also wish to institute a separate review panel at the corporate level.

Site opens at 10:00a • Site closes at Midnight
Home of Lady Audrey • 4004 Ridge Drive • Pueblo, CO
Make checks payable to "SCA - Aarquelle"

A nice little event for games, food, fighting, drums and song. Lord Tiegr has dreamed up a 'Green Knight' Tourney for heavy weapons fighters provided Aarquelle has it's usual sunny but brisk holiday weather. For breaks in the fighting and those just not interested in being hacked, we have Hunkerhausen, ROCK, and Farli's match. For the smalls, we have Tail Tag and a story corner. We will have a portable firepit set up outdoors to help take some of the chill off.

For dinner, there is a potluck feast. Bring a dish that serves about 8 hungry people or larger if you bring a large group. This event is being held at Audrey and Tiegr's house because the planned site was not what we had hoped. It's a good idea to bring a chair. Site opens at 10am and closes at 12am. The Site is wet, no pets please, no reservations necessary. Minors (18 and under), you need to have an on-site parent or guardian (21 & over with papers) to attend. Greetings, Good Gentles. Sack of the City III is over. I hope everyone had a good time, I know I did. If you did this is thanks to the work of a multitude of good people who worked very hard to make this happen. Listing everyone who contributed would take up far too much of the OH as it is most of the populaces of Nahrun Kabirun and Loch Thioram.
Thank you everyone! But there are a few who I'd particularly like to thank because without their efforts I wouldn't have made it through this. Ava [of St. Golias] without whom the site would have become unaffordable. Maeve who handled the onerous task of running the troll booth in an exemplary manner. Devlin who handled the thankless task of making sure our Kingdom's armor standards were adhered to. Sir Jochen whose experience and competence in marshalling made things very safe on Saturday. And last, but not least Carola, who stepped in when both James-David and my own mundane lives made it very difficult for us to function. Good save, Carola!

Christian St. Claire

Event Announcement Information

Unto the populace of the great and glorious Outlands, does Laird Duncan MacAllister, Kingdom Chronicler, send greetings. Listed below you will find the requirements that have been set forth for Outlands Event Announcements. Please note that those items listed as 'Mandatory' must be present in the appropriate event announcement, or I will be unable to print the announcement.

Mandatory in ALL event announcements:

- ☐ Name of the Event
- ☐ Sponsoring Group
- ☐ Event Date(s)
- ☐ Mundane name and address of the site
- ☐ Site Open and Close times
- ☐ Contact Information for the Autocrat
- ☐ Contact Information for Reservations (if not Autocrat)
- ☐ Contact Information for Head Cook (If serving food)
- ☐ Contact Information for additional organizers (Crash, fighting, etc.)
- If reservations are being taken:
    - ☐ Deadline for acceptance
    - ☐ All associated costs (site, feast, discounts, etc.)
    - ☐ How to make checks payable

Mandatory in FINAL event announcement (Month of):

- ☐ All above information
- ☐ Alcohol Status (Wet, dry, discreetly wet, etc.)
- ☐ Directions to site (include distances, street names, etc.)
    - Do NOT assume signs will always be visible
- ☐ All associated costs (site, feast, discounts, etc.)

Optional, but highly recommended:

- ☐ A map to the site
- ☐ Schedule of events
- ☐ Feast menu (if feast is provided)
- ☐ Other pertinent site information (pet restrictions, water availability, etc.)

'Contact Information' as mentioned above is defined as: SCA Name, Mundane Name, address, phone number with area code, and an E-mail address if one is available.

Autocrats, please take notice of the article size constraints, and try to stay within them. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which MUST be the month of the event (i.e. A March event MUST run in the March OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the three (3) publication limit. Additional printings may be purchased at the current advertising rates. Kingdom Events (Crown, Coronation, A&S Competition/Collegium, and others as designated by the Crown) receive one (1) page in the publications prior to the event, and two (2) pages the month of the event. Non-Kingdom Events receive one-half (½) page in the publications prior to the event, and one (1) page the month of the event. Additional space may be purchased for any publication month at the current advertising rates. Current advertising rates are listed in the front of the Outlandish Herald. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication. The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (½) page article, and 600 words in a one (1) page article.

In service to the Outlands,

Duncan
